PROFILE

NORDIC STAR

1978 / 2012 CRN 122' 0"

FEATURES

NORDIC STAR is an Investors dream, one of the very few classical vessels appreciating in value, past home to movie stars and royalty, a Collector's aspiration.

Motor yacht NORDIC STAR embodies Italian design and deluxe living at its best. M/Y NORDIC STAR was built by Italian CRN (Costruzioni e Riparazioni Navali) in 1978 and refitted in 2008 and 2012. She measures 37.2m (122ft) and accommodates up to 12 guests in 5 generous Staterooms.

Of particular interest is NORDIC STAR's history. The yacht was originally commissioned by the famous Italian actress Virna Lisi (proclaimed by Bridget Bardot as "the worlds most beautiful woman"), who owned the yacht for many years and entertained a large number of famous guests including, Frank Sinatra, Tony Curtis and Jack Lemmon, to name but a few. Recently Prince Harry was onboard during the Formula 1 Races in Abu Dhabi in 2016.

NORDIC STAR has an elegant interior featuring fine Italian soft furnishings and warm amber toned wood panels, plenty of large windows allow ample natural light throughout the yacht. The salon and dining are a semi open plan with a low island creating a casual separation. Aft the salon boasts a large sofa, love seat and occasional chairs; forward the formal dining table and chairs epitomize refined Italian style.

NORDIC STAR can accommodate up to 12 guests, her master suite is forward on the main deck with a center lined queen size bed, love seat, vanity, study with private games area and ensuite facilities with his and hers sinks. A VIP cabin is on the lower deck starboard and forward with a queen size bed and ensuite facilities. A further double cabin is aft on port with a queen size bed and 2 Pullman berths. Two twin guests' cabins are fore and aft, on port and starboard with single beds and ensuite facilities. All guests' cabins are light, generous and offer plenty of storage.

The NORDIC STAR offers guests fabulous additional areas to relax and enjoy. The aft deck is easily accessed from the salon or side decks and features an alfresco dining option and wrap around built in custom sofas. Above, the sky lounge offers ample seating, panoramic windows and a state of the art entertainment center with 60'' Flat screen TV. On the third deck is a large sundeck, perfect for a quiet escape on one of the chaise lounges, optional shade can be fitted forward if desired.

NORDIC STAR has a beam of 7.3m (23.9ft) and a draft of 2.7m (8.8ft), the yacht is powered by 2 CAT 980HP engines capable of speeds of 12 - 15 knots and boasts Koopnautic Zero speed stabilizers for ultimate comfort. Headroom in Master Stateroom, Bathroom and Main Salon is 6'6".
