DANI 8

DANI 8

A close-up photograph of the exterior of a white boat cabin. The cabin features a large window with light-colored curtains. Below the window is a wooden shelf. In the center of the cabin's front panel is a small, oval-shaped porthole with a blue and red design. Below the porthole, the name "DANI 8" is printed in large, white, raised letters. A wooden bench with a white base is visible in the foreground. The background shows a glimpse of another boat and a person on the water.
