Two white plastic clips are attached to the edge of a wooden cabinet door on the left side of the image.

Four clear plastic storage containers with wooden lids are lined up on the countertop behind the stove.

A silver metal kettle with a black handle sits on the countertop behind the stove.

A silver metal thermos is positioned on the countertop behind the stove.

A clear plastic bottle of Buxton water is on the countertop behind the stove.

A pink and white checkered cloth is draped over the countertop behind the stove.

A black circular object, possibly a lid or a small pot, is on the countertop to the left of the stove.

A white cloth or towel is hanging from the side of the wooden cabinet structure.

A blue pot is placed inside the stainless steel sink.

A chrome faucet is mounted on the stainless steel countertop.
