Price:	\$20,900,000 USD		

REMARKS

ROCKSTAR is the latest delivery of the enormously popular 161 series of Trinity Yachts in which 17 yachts have been delivered or are currently under construction.

ROCKSTAR has a contemporary interior by the award winning Patrick Knowles Designs, as can be seen in the accompanying photos. It should be mentioned that the yacht can be further customized with the addition of new owner's art and soft goods furnishings. Perhaps the most unique design aspect of this series of yacht is the split-level on deck master stateroom featuring 280 degrees visibility. Upon seeing the master stateroom for the first time most people are overwhelmed by the spaciousness of the room.

ROCKSTAR has her tender and personal watercraft storage on the main deck which allows for a completely Unobstructed Sun Deck with built in Jacuzzi, loungers and W/C.

ROCKSTAR has it all in a 161' yacht - 5 staterooms, room for up to 10 crew, reliable Caterpillar power, 17 knot cruising speed, Quantum Koop Nautic stabilizers, ABS classification and MCA compliant.

DECK EQUIPMENT

2 x Muir VC 4000 vertical stern capstans with foot switch
2 x Muir MVRC 11000 hydraulic windlasses
Ground Tackle 2 x galvanized anchors or 360 kgs each
2 x 450 feet stud link chain
